

DEER HOLLOW HOA  
BOARD OF DIRECTORS

February 6, 2020

Greetings!

The Deer Hollow Board of Directors have developed a new website, [deerhollowhoa.com](http://deerhollowhoa.com), to improve communications with our Deer Hollow residents. Our Deer Hollow website became available for resident registration and usage on February 1, 2020. All residents that have shared their email addresses with the Deer Hollow Board of Directors, received an invitation from Vince Cannatella, Deer Hollow Board President, in January to register for an account and use this new website.

While we have been encouraged by positive comments from our residents who have chosen to register and begin using the Deer Hollow website, we are disappointed that more residents have not yet chosen to sign up.

If you choose to use the Deer Hollow website, [deerhollowhoa.com](http://deerhollowhoa.com), you will view important numbers, social events, covenants & restrictions, budgets, committees & charters, architectural changes, an emergency contact form, events calendar, meeting minutes and other information. This is important information for Deer Hollow residents.

How do you register to get an account to access these pages? In your browser, type in [deerhollowhoa.com](http://deerhollowhoa.com). When the Deer Hollow website page appears, click on the "Register" link in the top right corner of this website page.

If you have any questions about our Deer Hollow website, contact Phil Gover, Webmaster, at [pgover29@gmail.com](mailto:pgover29@gmail.com).

Thanks!

Phil Gover  
Vice President & Webmaster
